

## **Learn 5 pop songs on Guitar**

In today's lesson we are going to attempt to learn the riffs from 5 pop songs. We won't be learning every part of each song, but we will be learning the most recognisable part from each of them. The songs we will be learning today are

Happier by Marshmello

Eastside by Benny Blanco

Sucker by The Jonas Brothers

High Hopes by Panic At The Disco

Giant by Calvin Harris

Some of these parts will require your fingers to move up and down a string at a fast pace, but these are all learnable and with some time and practise you will be able to perfect them.
