What's going on this week?

The 2019 FIFA Women's World Cup is now well underway in France with the final less than 2 weeks away! The competition is being held across nine cities, with the semi-final and final being played in Lyon. Women's football is fast growing in popularity, with the global viewing audience for the Women's World Cup expected to reach up to one billion! But the players themselves are increasingly questioning the level of earnings and prize money they receive compared to male footballers, which are around x10 less!

Things to talk about at home...

- 🍏 Have you been watching the Women's World Cup? Do you think it is shown enough on TV?
- 🍏 Did you collect the men's World Cup stickers? Are you collecting the women's stickers too?
- 🍏 Do you think it's fair that male footballers are paid more than female at the moment?
