

# Broad Oak School Council

Article 3 The best interests of the child must be a top priority in all things that affect children.

Article 13 Every child must be free to say what they think and to seek and receive all kinds of information, as long as it is within the law.

## Meeting number 2 – 20.1.22

### What are our goals?

- Welcome
- Photos of the school council
- What have we achieved?
- Any other business
- Arrange next meeting (TBC)
- Badges

#### **Welcome**

Introduction to meeting.

#### **Photograph**

#### **Any other business**

- What have we found from our previous meeting?
- What have we achieved from our previous meeting?
- Send a presentation via email to teachers for our councillors to discuss.
- Action plan for longer breaks.

*What we have achieved:*

- 1. More teacher support for interventions and support in class. (Daniel)*
- 2. Helpers for teachers in class. (Ernie)*
- 3. Longer breaks. (Lilly)*
- 4. After school clubs that we can attend all year. (Eva)*
- 5. Playground apparatus (swing or roundabout - Ali)*

**4.**

In response to the items from pupils arising from your meeting:

- Clubs pupils can attend all the year round.

Green Squad and Create Art Club already run all the year round and pupils do have a year round place.

Pupils can also sign up for just one term and that leaves them free to choose another seasonal club as they wish to. I always welcome them back to Green Squad or Create Art club if that other club ends after a term or half term .

1 and 2. Budgets.

Mr Corteen has been made aware of concerns.

3. Children are able to gain extra playtime for rewards at the school's discretion.

5. We would need to raise funds for extra playground apparatus. Playground apparatus is very expensive so we have decided it would be a good idea to redesign the tyre park with Ms Ince

### **Next steps:**

Ms Ince – Tyre park (TBC and see below)

### **Other**

NSPCC Day – Posters and messages to pass on.

Comic Relief – Ideas for how to fundraise.

- School council to collect tyre park designs and choose a winning design

## **Broad Oak's "Eco Explore" Tyre Park**

***Can you help design an area to relax, explore or let off some steam?***

Maybe include somewhere comfy to sit, a climbing challenge and/or an adventure/role-play area.

No new materials as this is our opportunity to create something wonderful from recycled materials while helping take care of our environment.

Can you include some planters to provide a home for wildlife?

Examples shown below are just to get you started, be as creative as you choose. Remember to label your design.

Thank you

Miss Ince

**Don't make it too complicated though as we will be building it ourselves.**

**We may even have a 'bring a spade' party to get all that digging done!**
